Sub-clause 4.2

Add the following paragraph :

“For cabinets intended to be switched off at night, the period for measurement of electrical energy consumption from the time of switching on shall be 10 h.”

Clause 5, Test report

Add the following sentence in c) :

“For cabinets intended to be switched off a night, the total electrical energy consumption during the test shall be expressed in kilowatt hours per 10 h (see 4.2).”
