

SAE Technical Standards Board Rules provide that: "This report is published by SAE to advance the state of technical and engineering sciences. The use of this report is entirely voluntary, and its applicability and suitability for any particular use, including any patent infringement arising therefrom, is the sole responsibility of the user." SAE reviews each technical report at least every five years at which time it may be revised, reaffirmed, stabilized, or cancelled. SAE invites your written comments and suggestions.

REV. A

AS4341

FEDERAL SUPPLY CLASS
4730

RATIONALE

ADDED A DASH IN THE PART NUMBER EXAMPLE TO NOTE /9/ AND SPECIFIED A PASSIVATION TYPE FOR FINISH TO NOTE /2/.
